## **The 2024 Ohio Recovery Housing Annual Conference**

The ONLY statewide gathering dedicated to this critical recovery support, this event gathers individuals from across the entire continuum of behavioral health services as well as housing support services.

In addition to providing information on best practices and promising innovations, attendees assemble to network as well as learn about new products, services, and programs that can benefit their organization or the individuals that we all serve.

Events begin with the inaugural ORH Recovery Housing Innovation Symposium (March 19th, 2024) where, in addition to learning about innovative best practice, participants will rate compelling recovery house innovations to help determine who will be the *Innovator of the Year*, awarded during the ORH Celebration Dinner (March 20th, 2024).

Following the symposium is the conference which begins March 20th at 9:00am and continues until 3:30pm March 21st. Two days of learning, motivation, networking, and kinship. In addition to providing breakfast and lunch, the Recovery Housing Celebration Dinner will occur the evening of March 20th celebrating 10 years of advancing quality recovery housing in Ohio with speeches, recognitions and good food.
